

**WHY CHOOSE
INSTEAD OF**

**BRIQUETTES
CHARCOAL?**

*Many people use charcoal because they are familiar with it.
But have you heard about briquettes?*

The BRIQUETTE Advantage

- ✓ Briquettes produce less smoke.
- ✓ Briquettes help save money.
- ✓ Briquettes are made from waste, not trees.
- ✓ Briquettes help protect the environment.
- ✓ Briquettes are easier to store and handle.

You do not have to stop using charcoal immediately. You can start by trying a small quantity of briquettes and comparing the results yourself. Would you like to try some?
